人格 / MY PERSONALITY

Throughout my educational career, I have always been a hardworking and determined student. I always tried to assimilate maximum knowledge from professors. I am intended to discover new horizons. I am socially an active person with much friendly nature, a good communicator indeed who is blessed with a number of friends.

I also am very often involved in many curricular and extra-curricular activities. I have been a member of a management team who organized "Cyber Security Conference 2015" at my university. I am a fan of badminton and most often participated as a solo player and a team in inter-departmental sports galas. I am also eager to read history books. Owing to my behavior in class and responsible nature, I was also elected as a class representative at university throughout my degree.
